

2007 GIRLS SWIM AND DIVE CAN AND BOTTLE DRIVE

The Northville Girls Swim and Dive Team will be having their annual can and bottle drive again this year. Each swimmer/diver is required to collect at least 200 cans or bottles, return them for deposit, and forward the money, in the form of a check, to the address below. This will help fund events planned during our season.

We will be planning a Team Collection Day after practice on August 20th. Each swimmer may participate in the Team Collection Day, or create your own groups to collect cans and bottles, or collect the cans and bottles on your own. You may also provide a cash donation if you choose not to collect cans and bottles.

Checks should be made out to "Northville High School" and mailed to:

NHS Can and Bottle Drive
20269 Woodcreek Blvd.
Northville, MI 48167
